

## What are Usable Materials?

Are you unsure of what to send? Do you want to make sure that you are sending the correct materials so that you receive your full Cash Incentive? Look no further!

The links below represent some of the Usable Materials we receive from other agents. **I am looking for materials you receive directly from the insurance carriers.** The first batch contains examples of emails and the second batch has PDF examples direct mail pieces that we have received from agents. It is a sampling of life, health, annuities, investments and P&C items. Please do not hesitate to contact me if you would like some more examples or if you have any questions!
