These envelopes will be automatically replenished when you run out. If you are able please send envelopes at least once every two weeks, even if it is not completely full.

To earn cash for email participation we ask you forward any emails you receive from insurance carriers and financial advisors to producers@sbkcenter.com. You do not need to edit the emails, just click forward and enter our address. Do not print out your emails and put them in the postage-paid envelope as they will not be counted for your participation.

In terms of sending emails and direct mail: when in doubt, send it! I am specifically looking for emails that you receive because you are a licensed agent. I would like to see materials that come directly from the insurance companies, financial advisors and IMOs who are marketing for those companies. Basically, if it has a carrier name on it, I want to see it!!

If you have any questions please do not hesitate to call me or email me.

All unique identifying information such as name, address, phone number, account / invitation number are eliminated before any of the materials are analyzed for their contents, industry trends, and overall marketing activity.

The Small Business Knowledge Center ensures the privacy and anonymity of our panelists. You will not be solicited in any way as a result of your participation.
